### **HJR 787**

February 22, 2006

**SUMMARY OF BILL:** Urges the Department of Transportation to increase the speed limit on a certain segment of SR 246 in Maury County from 40 mph to 50 mph.

#### **ESTIMATED FISCAL IMPACT:**

**Other Fiscal Impact – If the intent of this resolution is implemented and the Department of Transportation increases the speed limit on this segment of highway, there will be a one-time increase in state expenditures of less than \$500 from the Highway Fund to change speed limit signs. Any decrease in state and local government revenues from fewer fines levied and collected from an increase in the speed limit is estimated to be not significant.**

Assumption:

- The cost to change speed limit signs will be less than \$500.
